Ministry at APTS and Mongolia

During the first trimester (**June-August**) Galen and Dickie taught at **Asia Pacific Theological Seminary (APTS)** in Baguio City, Philippines. Galen taught New Testament Introduction and Pastoral Epistles, and Dickie taught English. Our students came from the Philippines, Pakistan, South Korea, China, Sri Lanka, Japan, and Laos. Please pray for our students. Some will return to dangerous conditions, and they must stand strong in their faith as they minister the word of God in their home countries.

In **September** we were privileged to teach at the **Assemblies of God Bible Training Center** in Ulaanbaatar, Mongolia, for the 10th time. It was the most advanced class that Galen had taught there (New Testament Theology), and two of his students had been his students his first time to teach there in 2003. It is always a delight to return and see what God is doing in that great country.

Thank you for your faithful prayer and financial support!
