Ministry at APTS

What an exciting time to do graduate level ministerial training in Asia Pacific! We have just finished a great trimester and school year at Asia Pacific Theological Seminary (APTS). Our students came from 28 countries this trimester, and the students in our classes were from South Korea, Papua New Guinea, Japan, Indonesia, China, Dominican Republic, Myanmar, USA, Nepal, and American Samoa. At graduation, we had 47 students graduate, including our first-ever Ph.D. graduate. And, although we are accredited by three international theological accrediting agencies, it was also our first graduation with degrees recognized by the Philippine Commission on Higher Education (CHED). Please be in prayer for our graduates. Many of them will return to their home countries where they could possibly face persecution for Christ.

We would like to say a heartfelt **"Thank You"** to all of you who have partnered with us financially and in prayer for the great work of training the future leaders of Asia Pacific!
