MISSIONS UPDATE FROM THE HERTWECKS

SUMMER 2019

Ministry Update

After a summer of ministry in the Philippines, Thailand, and Taiwan, the new trimester at APTS is underway. Galen is teaching Hermeneutics as an intensive block course. Then we will go to the USA for Dickie's annual medical tests, General Council, and Together 2019—a meeting of Assemblies of God World Missions personnel from around the world. In September Galen will teach at the Bible College of Malaysia in Kuala Lumpur and Dickie will speak in chapel, and then we both will teach at APTS in the second trimester (September—December).

18 Years and Going Strong . . .

On April 19, 2001, we boarded a plane in Los Angeles bound for the Philippines to begin a new adventure. We were newlyweds - we had been married for 3 1/2 months. Galen had pastored and taught for almost 30 years. Dickie had been a missionary for 17 years. Now we were embarking upon an adventure with a new husband, a new wife, a new job, a new country - a new everything! Little did we know that in those 18 years this adventure would take us to 34 countries, teaching at 20 schools, besides our main teaching assignment at Asia Pacific Theological Seminary (APTS) in Baguio City, Philippines! To impact the lives of young men and women who will minister the word of God, plant churches, teach in Bible schools, and take the gospel to the never-reached is one of the greatest privileges we can image. God's plan for us was far greater than we knew! We would like to say a heart-felt thank you to all who are enabling us to carry out our ministry through your praying and giving. We can't wait to see what God wants to do in the next 18 years!
