MINISTRY UPDATE

Galen and Dickie have been teaching at Asia Pacific Theological Seminary (APTS) during the fall trimester. This trimester the students at APTS come from 32 countries in Asia, the Pacific Islands, Australia, Africa, Europe, North America, and South America. Galen teaches New Testament courses, and Dickie teaches English. It is a great privilege to influence the lives of young men and women who will return to their countries and make an impact for God. They can go where many of us could not go to take the gospel to those who have never heard the saving message of Jesus Christ. Thank you for your faithful support of our ministry through prayer and financial giving. Your faithful support enables us to be here to do God's work on the frontlines of ministry in Asia.

UPCOMING ITINERATION

From January to May we will be itinerating in the USA to raise our support for our next term in Asia. In January and February and then for a few weeks in May we will be in Southern California. In March and April we will be in North Carolina. We hope to connect with our current supporters during that time. Most of our Sunday mornings are booked for services, but we have plenty of other times during the week that are available. We need to raise a substantial amount in monthly pledges during this time, so please be in prayer that we can raise the needed amount.

May the Joy, Peace, and Love of Christmas be yours this Christmas Season!
