Itineration During a Pandemic

Greetings from Burlington, North Carolina, USA! We are blessed to be living in the missions apartment of Burlington Assembly of God pastored by Bryan and Carol Rainbow. We returned to the USA to itinerate, and we were able to do so for 11 weeks in Southern California and North Carolina. But now we, like you, are in lockdown because of the COVID-19 pandemic. We have done reading, walking, praying, and working on jigsaw puzzles. In working on the puzzle, Galen thinks he got some insight into how to respond to the pandemic crisis. You can open it here: <https://www.dropbox.com/s/19cangufiq9et92/The%20Puzzle%20of%20the%20Pandemic.pdf?dl=0>. Even though we can't itinerate in person, we have spoken to churches through live Facebook events and through Zoom broadcasts. Here are some thoughts on "High Tech, the Pandemic, and the Early Church": <https://www.dropbox.com/s/cam82pd9f68t12l/High%20Tech%5EJ%20the%20Pandemic%5EJ%20and%20the%20Early%20Church.pdf?dl=0>.

We have been privileged to speak at some wonderful churches in Southern California and North Carolina. At Greater Life Church in Matthews, NC, we spoke to four different groups: the adults, the youth, the children, and the Spanish congregation. In the children's meetings three children said that God had called them to be missionaries! Their picture is below. Dickie knows that God can speak to little people's hearts because God called her to be a missionary when she was a child.

We don't know when our itineration will resume or how long it will last. We thank you for standing with us in prayer and with your financial contributions. A special thanks to those who have blessed us with unexpected gifts during this time! We pray regularly for our supporters. Especially during this pandemic we are praying for your safety and for God's provision. May God's richest blessings be yours!
