Missions Update from the Hertwecks

SUMMER 2020

Biblical Teaching by Remote Control

Many people have been impacted by the coronavirus pandemic, and we are no exception. We came back to the U.S. from the Philippines for a short itineration and were expecting to return to Asia Pacific Theological Seminary (APTS) in Baguio City, Philippines, at the first of June.

With the coming of the virus, the Philippines was closed down, and foreigners are still not allowed to enter. So we are anticipating returning after the country opens back up. In the meantime, our time is not wasted. Besides speaking in churches, Galen is teaching for APTS via Zoom. His Hermeneutics class has 23

students from 13 countries. He also is supervising APTS doctoral projects and independent studies and coordinating the Field Education Program. Dickie is doing online tutoring for APTS as well as serving as the liaison for the U.S. Embassy in Manila.

Prayer Needs

Please pray for God's powerful anointing upon our ministry and for wisdom about returning to the Philippines.

Please pray for our brothers and sisters who have been affected by the coronavirus.

Please pray for God's protection and provision in this uncertain time.

Thank you!

We want to extend our heart-felt appreciation for your faithful prayer and financial support. We are so grateful for your joining us in the great ministry of training the future leaders of Asia Pacific.
