A special thank-
you to all of you
who faithfully
support our
ministry!

"And my God will
meet all your
needs according to
the riches of his
glory in Christ
Jesus." (Phil. 4:19)

Missions Update from the Hertwecks

SUMMER 2021

Biblical Education in a Post-COVID World

COVID-19 has forever changed the way biblical education is delivered in our world, and that includes our school, Asia Pacific Theological Seminary (APTS) in Baguio City, Philippines. Many schools have had to adapt to the new situation caused by this vicious virus. But, as the Apostle Paul says, "The word of God is not bound" (2 Tim. 2:9). For years APTS had been talking about and attempting

to offer degrees online, but it never worked out. But Covid left us no choice.

We had returned to the USA for a short itineration and were planning to be back in the Philippines by June 2020. But the Philippines closed down with a strict quarantine in March 2020 and has remained closed. Our only alternative was to offer courses online. Even for our faculty in the

Philippines, the only way that courses can be conducted is online because in-person classes are not allowed to meet.

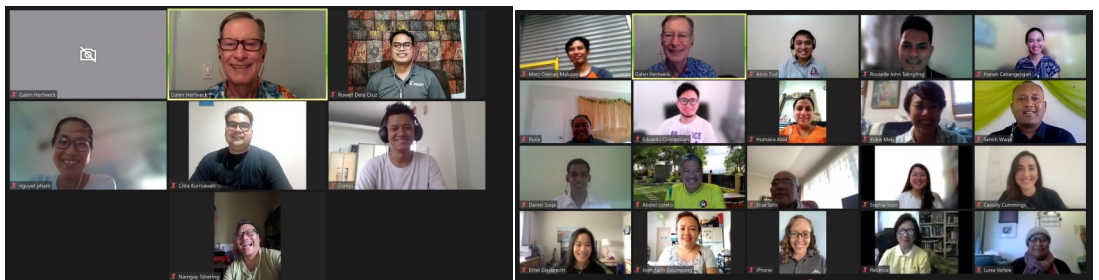

So APTS is continuing as before, except by "remote control." Our faculty, who are sent from 10 Assemblies of God General Councils, are teaching our students who are from around 30 different countries. Please pray for God's continued blessing.

Galen Appointed as APTS Extension Director

For 10 years (2001-2011) Galen served as the APTS Extension Director, coordinating onsite classes in several countries. Now after 10 years, he has been asked to serve in that capacity again. APTS has extensions in Fiji, New Zealand, Samoa, American Samoa, Mongolia, and other locations. Through it students can earn their Master of Arts in Ministry degrees taught in-person without ever leaving their home country.

Galen's First Trimester Classes

This trimester Galen is teaching two sections of New Testament Introduction. Here are pictures of his two sections. Galen has 24 students this trimester who are located in 12 countries: Papua New Guinea, Indonesia, Myanmar, Pakistan, Thailand, Philippines, USA, New Zealand, Japan, Vietnam, Bhutan, and Fiji. These students will impact their countries for God. Please pray for their anointing and divine protection.
