Missions Update from the Hertwecks

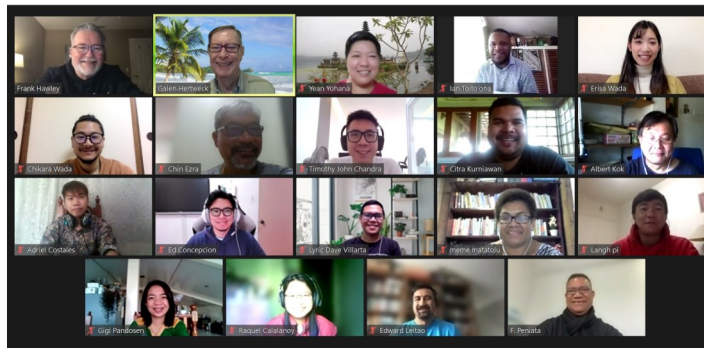

SPRING 2022

Record Enrollment at APTS

In 2014 Asia Pacific Theological Seminary set a goal of having 200 students, a goal that seemed impossible at the time. Our enrollment this past trimester was 242! Those students came from 30 countries in Asia, the Pacific islands, Latin

America, Australia, North America, Africa, and Europe. The countries with the largest representation are the Philippines, China, the USA, Myanmar, and New Zealand. In March, 40 students graduated and will return to their countries as pastors, Bible school

teachers and administrators, missionaries, and church planters. Some will continue with their studies to earn higher degrees at APTS or elsewhere. Below are pictures of Galen's Hermeneutics and Pauline Theology classes.

Back to the Philippines!

Within the next few weeks we will return to the our home and the APTS campus in the Philippines. We came to the USA for a short

itineration. Then Covid hit, and the world shut down. Within the past few weeks the Philippines has opened up again, and we should be

able to return. Please pray with us that we will be able to supply all the paperwork that is required for entry.
